✓ **Mechanism/ Norms and Procedure for democratic/ good Governance**

Institute ensure democratic and good governance by giving students and staff members to work freely in a very democratic way. Mechanisms and Norms specified by various committees are formed and followed. The Institute also publishes policy documents among the concerned.

MIT is governed by the Board of Trustees and was established by GSM in the year 2001 at Aurangabad. The institute has been contributing to Engineering and Management Education with a focus towards developing graduates with a global outlook and with necessary Entrepreneurial, Managerial & Software Development skills to succeed in a competitive world. As an academic institution, MIT has the richness and depth commonly found in the larger Engineering Colleges and students of MIT receive individual attention and concern. MIT is continuously learning, evolving with every year and updating the needs of the companies by promoting all necessary requirements. MIT believes in overall development of its all stakeholders. The institute is striving towards excellence and imparting practical knowledge through Technical expertise since its inception. Engineering students at Maharashtra Institute of Technology are privileged to have world class Education and ultra-modern lab facilities for their overall personality development with the support of Management and dedicated staff. Management of MIT has empowered its faculty at all the levels of the organization. The participation of teaching faculty in the governing body of institution has been ensured. The entire stakeholders are involved in the development of the institution.

Functions of the Governing Body

Subject to the existing provision in the bye-laws of respective institute and rules laid down by the state government/parent university, the Governing Body shall:

Guide the institute while fulfilling the objectives for which the institute has been granted autonomous status.

1. Institute scholarships, fellowships, studentships, medals, prizes and certificates on the recommendations of the Academic Council
2. Approve new programmes of study leading to degrees and/or diplomas.
3. All recruitments of Teaching Faculty/Director shall be made by the Governing Body/state government as applicable in accordance with the policies laid down by the UGC and State Government from time to time.
4. To approve annual budget of the institute before submitting the same at the UGC.
5. Perform such other functions and institute committees, as may be necessary and deemed fit for the proper development of the institute.

Functions of the Academic Council

The Academic Council shall have powers to:

1. Scrutinize and approve the proposals with or without modification of the Boards of Studies with regard to courses of study, academic regulations, curricula, syllabi and modifications thereof, instructional and evaluation arrangements, methods, procedures relevant thereto etc., provided that where the Academic Council differs on any proposal, it shall have the right to return the matter for reconsideration to the Board of Studies concerned or reject it, after giving reasons to do so.
2. Make regulations regarding the admission of students to different programmes of study in the institute keeping in view the policy of the Government.
3. Make regulations for sports, extra-curricular activities, and proper maintenance and functioning of the playgrounds and hostels.
4. Recommend to the Governing Body proposals for institution of new programmes of study.
5. Recommend to the Governing Body institution of scholarships, studentships, fellowships, prizes and medals, and to frame regulations for the award of the same.
6. Advise the Governing Body on suggestions(s) pertaining to academic affairs made by it.
7. Perform such other functions as may be assigned by the Governing Body.

Functions of the Board of Studies of a Department

1. Prepare syllabi for various courses keeping in view the objectives of the institute, interest of the stakeholders and national requirement for consideration and approval of the Academic Council;
2. Suggest methodologies for innovative teaching and evaluation techniques;
3. Suggest panel of names to the Academic Council for appointment of examiners; and
4. Coordinate research, teaching, extension and other academic activities in the department/institute.

Functions of the Finance Committee

The Finance Committee shall act as an advisory body to the Governing Body, to consider:

1. Budget estimates relating to the grant received/receivable from UGC, and income from fees, etc. collected for the activities to undertake the scheme of autonomy; and
2. Audited accounts for the above.

✓ **Students feedback system**

The Institute has a well-established mechanism to obtain feedback of Theory/ Practical classes from students and other stakeholders at different stages for quality improvement.

The feedback of students is taken considering the following areas for improvement;

- Teaching-Learning Process
- Training and Placement
- Industrial Visits
- Infrastructure facilities
- Library
- Amenities

The feedback of students is analyzed and conveyed to the faculty members for further improvements accordingly. The faculties of the institute are members on board of studies, and they can incorporate these changes during the regular curriculum revision or else a letter of suggestions to make the changes in the curriculum is sent to the university to get it done.

Feedback from employer and industry during In-plant training, informal meets or during their visits to the institute for campus interviews are taken regarding their performance etc.

The active participation of stakeholders is considered as a part of improvement in the curriculum through their valuable feedbacks. Feedbacks from stakeholders like alumni, employers and parents are analyzed which plays a key role in enriching the curriculum to come up with corrective measures which helps to fulfill the needs of technological up gradation. The feedback responses of these stakeholders are presented in front of the head of the department for taking necessary decisions in regard to enriching the curriculum as follows:

Alumni feedbacks evaluate the improvements in various aspects like skill enhancements, aptitude building, employability skill up gradation, software literacy, etc. Soft skill development programs are organized through alumni guest lectures. Alumni feedbacks are collected during every alumni meet.

Employers feedback visualizes the field and market demands on the need of communication skills, leadership and managerial qualities, knowledge on emerging technologies and advanced innovative practices. Employability skills are introduced as one of the subject in the

curriculum by the university on the feedback from the industry. Employer survey feedbacks are taken from recruiters.

Parents' feedback helps in organizing trainings related to placement and market needs. It also MPSC and UPSC. This helps to improve the coordination between the students and parents with the college curriculum which assists in their overall personality development through efficient career planning. Mentorship scheme helps to create a continuous interaction with parents. Parents' feedbacks are collected during every parent meet.

✓ **Establishment of Anti Ragging Committee**

The Institute has set up an anti-ragging committee. The committee is formed as per Anti Ragging norms laid down by the Government and Hon'ble Supreme Court of India. Anti ragging schedule for visit to hostels at night is prepared and all the faculties visit to hostel to ensure that no ragging happens. Till date, no incident of ragging of any kind has been reported in the institute.

Anti-ragging committee is as follows:

Sr. No.	Member
1	Mrs. Suranjana Mandal – Incharge
2	Dr. L V Uttarwar – Member
3	Mr. Amol Patil – Member
4	Mr. S G Hiwale - Member

✓ **Student Grievance Redressal Cell**

The college has a grievance redressal which actively interacts with the students to help them to sort out their grievances. The institute keeps suggestion boxes at various places within the institute so that comments, suggestions, and requests can be given without directly meeting to the authorities. Suggestions or complaints or feedback given on plain paper provides greater opportunity. Corrective measures are taken in all such cases by the committee along with the Principal to solve issues like solves issues related to inadequate facilities, recess timings, sanitation, etc.

The committee comprised of following members-

Prof. V. M. Chidri (MED) : In-charge

Mr. R. K. Kanhe (ETCED)

Prof. Ms. Seema Choudhary (CSED)

The fees as approved be communicated to the individual institutes/colleges. The Institutes/colleges be informed that if the fee approved by the Authority is not acceptable to them then individual institutes/colleges may file the Review Application with detailed reasons to review the fees approved. The Review Application be filed as per the procedure prescribed, within fifteen days from the date of communication of the decision/fees approved.

The fees as approved is the maximum fees that can be charged and recovered from the students by the respective colleges/institutes. The term fees has been define under section 2(g) of the Maharashtra Unaided Private Professional Educational Institutions (Regulation of Admissions and Fees) Act, 2015, the fees approved and includes tuition fee, gymkhana fee, examination fee, library fee, development fee, laboratory fee, information brochure fee, the amount collected for any curricular or co-curricular activities and any other amount collected from the students, by whatsoever name and accepted in whichever manner, from the students/candidate admitted to professional courses by the Private Professional Educational Institution excluding any charges payable towards use of optional facilities such as hostel accommodation, mess charges and students insurance fees. Thus any amount accepted by the institutions in cash or kind, directly or indirectly in excess of fee approved by the Authority amounts to an Act of "profiteering" as defined under section 2(s) of the Maharashtra Unaided Private Professional Educational Institutions (Regulation of Admissions and Fees) Act, 2015 and liable for penal action as provided u/s 20 of the said Act of 2015.

Let the follow up action be taken accordingly".

Part II

- (A) **To consider the proposal for approval of fees submitted by Ankush Shikshan Sanstha's G.H. Rasoni College of Engineering, Nagpur (EN4142) for the academic year 2021-2022 in respect of Engineering course.**

"Discussed.

On examination of proposal for approval of fees filed by the College/Institution, it is noticed that the college has claimed the payment made to the Service Provider in the category of expenditure made towards non-

teaching staff. Similarly, the payment made under various heads appears to be excessive and unreasonable. The expenditure made not supported with the evidence to substantiate the same. It is therefore decided to call the Principal of the College, the President/ Secretary of Trust and the Chartered Accountant to decide the proposal after giving hearing to them. The proposal be listed for hearing along with other proposals of same Trust involving identical issues.

Let the follow up action be taken accordingly ”.

- (B) **To consider the proposal for approval of fees submitted by Swargiya Lilawati Satish Awhad D. Pharmacy College, Khandgaon, Nanded (DPH2548) for the academic year 2020-2021 in respect of pharmacy course.**

“Discussed.

As per the direction given in the meeting of Authority held on 9/9/2021 the College has submitted the statement of receipt and payment.

The Authority is of the view that the College be allowed to resubmit the proposal through online as per the income and expenditure accounts of the year 2018-2019. The schedule of income and expenditure, receipt and payment and Balance Sheet be submitted along with the proposal. For the purpose of resubmitting the proposal the link be made available to the College. After compliance the proposal be placed for the consideration of the Authority.

Let the follow up action be taken accordingly ”.

- Item No. 2:** **To consider the request seeking No Upward Revision for the academic year 2020-2021(list annexed as annexure 'A').**

“Discussed.

The Management of the Unaided Private Professional Educational Institutions mentioned in the list **Annexure 'A'** have submitted online proposals seeking no upward revision for the academic year 2020-2021 & exercise of the option to apply the fee structure approved by the Authority for the previous academic year 2019-2020 for the academic year 2020-2021.

As per section 14(1)(b) of the Maharashtra Unaided Private Professional Educational Institutions (Regulation of Admissions and Fees) Act, 2015 in the event of non-submission of the proposal for upward revision of fee by the Management within the period prescribed u/s. 14(1)(a) of the said Act, the fee structure approved by the Authority & applicable during the previous academic

year shall continue to apply to such institution for the immediate next academic year. Section 14(1) a & b of the Maharashtra Unaided Private Professional Educational Institutions (Regulation of Admissions and Fees) Act, 2015 read as under;

- "14. (1) In determining the reasonableness of fee structure, the following provisions shall apply:-**
- (a) the Management of the Unaided Institution shall submit the details of the proposed fee alongwith the audited accounts of the preceding financial year, the proposed budget in respect of the current financial year and the relevant record and evidence to the Fees Regulating Authority for its approval not later than 31st October of previous academic year ;**
- (b) in the event of non-submission of the proposal for upward revision of fees to the Fees Regulating Authority within the time-limit specified by the Authority, the fees structure as approved by the Authority and applicable during the previous academic year shall continue to apply".**

In view of the above, no specific order of the Authority is required to apply the fee structure approved by the Authority for the previous academic year for the immediate next academic year. Therefore the Management has to act in accordance with Law.

The list **Annexure 'A'** shall form the part & parcel of the minutes of the meeting.

Let the follow-up action be taken".

Item No. 3:

To consider the request seeking No Upward Revision for the academic year 2021-2022 (list annexed as annexure 'B').

"Discussed.

The Management of the Unaided Private Professional Educational Institutions mentioned in the list **Annexure 'B'** have submitted online proposals seeking no upward revision for the academic year 2021-2022 & exercise of the option to apply the fee structure approved by the Authority for the previous academic year 2020-2021 for the academic year 2021-2022.

As per section 14(1)(b) of the Maharashtra Unaided Private Professional Educational Institutions (Regulation of Admissions and Fees) Act, 2015 in the

event of non-submission of the proposal for upward revision of fee by the Management within the period prescribed u/s. 14(1)(a) of the said Act, the fee structure approved by the Authority & applicable during the previous academic year shall continue to apply to such institution for the immediate next academic year. Section 14(1) a & b of the Maharashtra Unaided Private Professional Educational Institutions (Regulation of Admissions and Fees) Act, 2015 read as under;

- "14. (1) In determining the reasonableness of fee structure, the following provisions shall apply:-**
- "(a) the Management of the Unaided Institution shall submit the details of the proposed fee alongwith the audited accounts of the preceding financial year, the proposed budget in respect of the current financial year and the relevant record and evidence to the Fees Regulating Authority for its approval not later than 31st October of previous academic year ;**
- (b) in the event of non-submission of the proposal for upward revision of fees to the Fees Regulating Authority within the time-limit specified by the Authority, the fees structure as approved by the Authority and applicable during the previous academic year shall continue to apply".**

In view of the above, no specific order of the Authority is required to apply the fee structure approved by the Authority for the previous academic year for the immediate next academic year. Therefore the Management has to act in accordance with Law.

The list **Annexure 'B'** shall form the part & parcel of the minutes of the meeting.

Let the follow-up action be taken".

Item No.4 : **To consider the letters received from the Institutes/Colleges to open the link for submission of fees proposals for the academic year 2020-2021 & 2021-2022.**

"Discussed.

Deferred."

Item No.5 : Any other subject with the permission of Chair.

"It was decided to postpone the meeting schedule on 5/12/2021 to 9/12/2021. The subject to be discussed in the meeting dated 5/12/2021 be placed for consideration on 9/12/2021".

Innovation Cell

In today's world of research and innovation there is always a need of motivation to every individual to march towards innovative work. At MIT the faculty members are motivated to adopt innovative methods for teaching and learning process. The faculty members are permitted to attend Faculty development programs, seminars, workshops, summer and winter schools. Due to this the faculty members are implementing this new tool based on ICT and this makes the teaching learning process more enjoyable for the students and clearing the concepts in the respective courses. The use of ICT tools like KAHOOT, MCQ's, presentations etc. has helped the faculty members as well as student to create interest about the course you could also help in enjoyable learning. The faculties are motivated to upgrade the qualifications by providing sponsorships to various programs and are motivated to take-up some Industry-based and societal problems as their research work. The faculties are motivated to guide students to undertake the project based latest technologies and address the solution of problems identified. The Institute has a recognized Research Center for two department's branch like electronics and telecommunication and mechanical engineering.

MIT has adopted various measures to maintain the green campus which helps in developing an eco-balanced environment. The College ensures environmental consciousness in the mind of the student by conducting environmental awareness programs from time to time. Innovation and Entrepreneurship Development Cell has been established to meet the challenges and needs of the society. College had developed certain Best Practices viz. Teacher Guardian scheme, Online Learning Research initiatives among the students and faculty which makes MIT as one of the best institutions to enhance the performance of the student.

Efforts made by the institution to encourage the faculty

Encouragement and motivation of faculty for up-gradation and updating of professional knowledge through participation in STTP's, National and International Conferences etc.

Deputes faculty for attending innovative teaching learning programs like Infosys campus connect, Gurukul for Gurus for senior faculty members.

Faculties are encouraged to use online resources like NPTEL, webinar for effective teaching learning process.

Post Graduate Courses	
Title of the course	M.Tech in Food Processing Technology
Curricula & Syllabi	https://btech.mit.asia/files/btech/departments/agriculture/syllabus/M.Tech%20FY%20AND%20SY%20SYLLABUS.pdf
Laboratory facilities exclusive to the Post Graduate Course	
Name of Lab	Major Equipments
Post Graduate Research Lab	GCMS, HPLC, Laminar, Spectrophotometer
Food Engineering Lab	Food analysis instrumentation
Dairy Technology lab	BOD incubator, Deep Freezer, Packing instrument, Centrifuge, Cream Separator
Laboratory facilities exclusive to the Post Graduate Course	
Title of the course	M.Tech. in Computer Science & Technology
Curricula & Syllabi	https://btech.mit.asia/files/btech/departments/cse/syllabus/MIT_CSE_Mtech_Syllabus.pdf
Laboratory facilities exclusive to the Post Graduate Course	
Name of Lab	Major Equipments
Research Lab	MATLAB 2016a, Textlive
Laboratory facilities exclusive to the Post Graduate Course	
Title of the course	MTech in ELECTRONICS & TELECOMMUNICATION
Curricula & Syllabi	https://btech.mit.asia/files/btech/departments/etc/syllabus/Mtech%20ETC%20Syllabus%202014-15.pdf
Laboratory facilities exclusive to the Post Graduate Course	
Name of Lab	Major Equipments
RESEARCH LAB	Computer Sets, Projector, MatLab Software, Simulink software
SYSTEM LAB	Computer Sets
Laboratory facilities exclusive to the Post Graduate Course	
Title of the course	MTech in Mechanical Engineering
Curricula & Syllabi	https://btech.mit.asia/med-downloads/
Laboratory facilities exclusive to the Post Graduate Course	
Name of Lab	Major Equipments
Research Lab	Application software like CATIA,Solid Edge,Hyper Works,Autocad,MATLAB
Mechtronics Lab	PCS 7 Training kit ,Cube Assembly Kit,S7 300PLC KIT
Laboratory facilities exclusive to the Post Graduate Course	
Title of the course	Master of Business Administration (MBA)

Industry Linkage

About Industry Cell

The objective of the Industry Cell is to reduce the gap between industry expectations (practice) and academic offerings (theory) by direct involvement of industry to attain a symbiosis. The industry cell is formulated in collaboration with Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ), Germany. It is supported by GIZ-MSME Innovation Project.

Objectives of Industry Cell

- To cultivate the strong links with industry
- To give industrial exposure to Faculty members and students, thus enabling them to tune their knowledge to cope with the industrial culture
- To promote various industrial activities by the faculty members and students.
- To catalyze the further growth and development of interaction between the Institute and Industry.
- Participation of experts from industries, in curriculum development.
- To have a closer linkage and promote research suited to industry needs, and consultancy which creates a sense of owning among faculty members.
- To provide continuing education to people working in industries so that they can upgrade their technical knowledge, and / or obtain higher degrees; this orients the faculty members towards the industry from the portals of College i.e. Academics.
- To bring about MOU'S and Agreements with various industrial and research organizations in different fields and sectors to promote various forms of interactions.

BEST PRACTICES ADOPTED

G.S. Mandal's
Maharashtra Institute of Technology , Aurangabad.

Best Practice – 1

Title of the practice: Online Learning

1. Goal:

Along with the traditional teaching methodologies, Massive Open Online Course platforms are promoted in the institute. MOOC platform like NPTEL helps student to learn subject of their choice irrespective of the student's branch. With this platform student, can directly learn from the faculties of various IIT's and NIT's.

2. Context:

As our institute comes in affiliated system. Hence have fixed structure of subjects and their number of hours to teach. MOOC helps students to learn and practice the subject beyond that structure and teaching hours. MOOC includes online videos, quizzes, and assignments projects. These exercises do not have any credit/marks in the main curriculum. Some MOOCs are free while some are paid. Continuous counseling had to be done to explain the importance of these platforms in their academic and professional life. Students started learning from various MOOC platforms.

3. Practice

Moving forward towards the goal, institute collaborated with NPTEL and started NPTEL local chapter at the institute. Various courses in different disciplines are offered by NPTEL. These courses are of 4/8/12 week duration. At the start of semester, the courses aligned to our curriculum are finalized for each discipline, along with the faculty mentors, who will be guiding students through the course run. The selected courses and the faculty mentors are communicated to the students. Students can opt for either selected courses with faculty mentors or from the remaining courses offered by NPTEL. Even faculties can also enroll in these courses. Enrolled participant needs to go through all the contents upload in the course. Like lecture videos, online quizzes, assignments, and projects.

4. Evidence of success

At the end of the course, the participant needs to give online certification examination and only successful participant is awarded with the certificate. It has been evident that participants have good learning experience and becomes more confident. This helps them broadening their perspective towards MOOC and helps them in getting placements, and in higher studies.

**G.S. Mandal's
Maharashtra Institute of Technology , Aurangabad.**

5. Problem Encountered and Recourses Required

MOOC is not the part of university guidelines, in starting students were reluctant toward these activities as they do not have any credit/marks. Continuous counseling had to be done to explain the importance of MOOC in their academic and professional life.

Best Practice – 2

Title of the practice: Industry Exposure to Faculty and Students for Employability and Entrepreneurship Enhancement.

1. Goal :

To enhance the entrepreneurship skill and the employability of the students

2. The Context:

- a. The institute has an exceptionally strong association with the industrial clusters viz. MAC (Marathwada Auto Cluster), Brownfield Electronic Manufacturing Cluster (proposed).
- b. The Institute is having a unique feature of In-Plant Training (IPT) in the curriculum itself. A separate faculty with a cadre of associate professor is administrating the IPT Cell along with one separate faculty coordinator from each of the departments. More than 500 students are placed every year to undergo 20 weeks industrial training at approximately 350 different industries located across the country.

3. Practices

- a. Our students are actively participating in some prominent project competitions organized by the Deutsche Gesellschaft fur Internationale Zusammenarbeit (GIZ) Germany and MASSIA (Medium and small scale industries association)
- b. Institute is also participating in organizing several project competitions in association with the affiliating university and local chamber of commerce etc.
- c. Guidance and counseling pertaining to entrepreneurship and employability enhancement is done through the expert talks delivered by eminent personalities from industries.
- d. The institute support faculty and students to undergo trainings at industries located in the country and even abroad.

**G.S. Mandal's
Maharashtra Institute of Technology , Aurangabad.**

- e. Prominent industrialists are key members of our governing body and their valuable suggestions are incorporated in the up gradation of the institutional activities at large.
- f. Formulation of micro enterprises has been initiated and one of its kinds has already been operational in the form of "MIT-CARS" and one more is in pipeline called "MCIP"
- g. Top IT Industry like Infosys has strong rapport with the institute through the campus connect program and our institute is recognized as "Partners in success" by Infosys.
- h. Institute regularly participate in various national level exhibition like, Technology meet 2016, Advantage Maharashtra Expo, Defexpo india 2016 at Goa, IMTEX 2016 at Bangalore and was also awarded (for its research projects exhibited in such exhibitions along with IITs).

4. Evidence of Success

- a. Institute has typed with more than 35 industries for placing the students for In-Plant Training.
- b. More than 500 students are placed in industries every year for in-plant training.
- c. Institutes of the national repute (viz. IITs and National Research Organization (viz. DRDO, ISRO, etc.. are showing keen interest in permitting our students for the IPT.
- d. Students are winner in project challenges.
- e. MIT got third prize at IMTEX exhibition Bangalore along with IITs.

5. Problem Encountered and Resources Required

- a. Training and placement office and training and placement officer.
- b. Separate IPT In-Charge with department IPT coordinators.
- c. Extensive efforts by these people.
- d. There was a great problem initially till these contacts with industry were not established.

**G.S. Mandal's
Maharashtra Institute of Technology , Aurangabad.**

Best Practice- 3

Teacher Guardian Scheme

1. Goal

- a. To understand the personal and academic challenges of the students and provide the necessary guidance and counseling.
- b. To monitor overall progress of students during his/her graduation

2. The Context

- a. Along with the adaptation of good teaching learning process, which enhances the technical knowledge of students, Institute has designed innovative methods for the overall personality development of the students.
- b. The objective of Institute to implement mentorship scheme is to provide training and guidance to undergraduate students in all disciplines, increase the participation of all undergraduate students from F.Y to B. Tech. in the different activities conducted by the Institute, which will be useful to them in their life after graduation. Institute seeks to foster and support students in achieving their personal and professional goals as undergraduates and prepare them for their future challenges.
- c. Faculty who serve as mentors make a valuable contribution to the education and training of undergraduate students interested in hands-on experience in different activities. Students judge the experiences primarily by their interaction with their mentors. Thus, the role of faculty member in scheme is crucial to the program's success.

3. Practice

- a. In the Teacher guardian scheme a Teacher (mentor) is allocated with group of approximately fifteen students (mentees).
- b. Mentor has to keep the academic record of the mentees allotted to him in terms of their monthly attendance, academic results, co- curricular participation within and outside campus etc. and inform the same to the parents during the parent meetings.
- c. Mentor has to understand the challenges faced by the mentees related to academics and also the personal challenges and counsel and guide the students wherever required.

4. Evidence of success

- a. The evidence of success of mentorship system is reflected through the overall personality development of students.

**G.S. Mandal's
Maharashtra Institute of Technology , Aurangabad.**

- b. Those students who had lack of confidence, weak in communication, poor presentation skills, were observed having marginal improvement in the lacked areas when they came to final year.
- c. Parents were happy to have a system where, the overall progress of their ward is monitored and informed to them timely right from the first year till the candidate completes his/her engineering.
- d. There is a marginal increment in the number of students participating in various events held within and outside the college, since the implementation of Mentorship Scheme.

5. Problem Encountered and Resources required

- a. To mould the students' mentality towards improvement in their personality without hampering academics was a difficult task.
- b. Resources required are mainly the human capital in the form of mentors and there voluble time to be spent for the Nobel cause of overall development of the students of the institute.
